Dr. Kimberly Mehlman-Orozco

Dear Dr. Mehlman-Orozco,

I am writing regarding Youngbee Dale and her expert work. I am a civil attorney in Houston, Texas, and I represent victims of sexual assault, including victims of human trafficking.

Our firm retained Ms. Dale earlier this year to work on a case where my client was sexually assaulted in a massage parlor by a masseuse. After a preliminary investigation, the masseuse and the owner of the massage parlor appeared to be working together in the illicit massage parlor industry. We hired Ms. Dale as an anti-trafficking consultant to review case materials, including documents and depositions, and offer her expert opinions based on her knowledge of and experience with the illicit massage parlor industry (including Chinese massage parlors).

Ms. Dale was professional, enthusiastic, and timely in her review of the materials and communications with our firm. Her unique perspective also helped us identify additional areas that supported our case theory. I have attached for your review a copy of our expert disclosure for Ms. Dale, which summarizes her credentials as well as her opinions in our case.

Shortly after we designated our experts, including Ms. Dale, the Defendants approached us about settling the case. We are convinced that Ms. Dale's impressive resume and forceful opinions were a key factor in obtaining a successful resolution in this case. I hope we are fortunate enough to work with her again in the future.

If you have any questions or would like to speak with me about Ms. Dale, please feel free to reach out.

Sincerely,
